

MAGDALENE RETREATS FRANCE

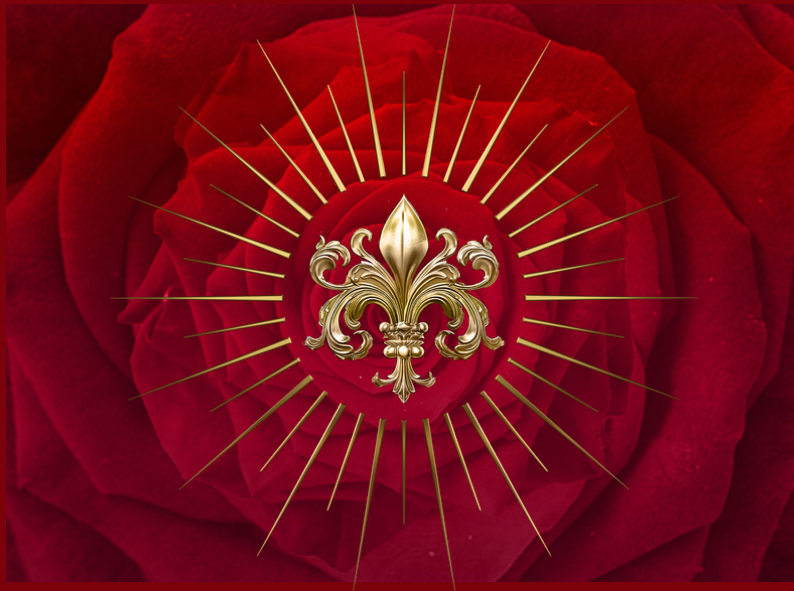

JUNE 5TH - 12TH 2027

ARE YOU DRAWN TO THE SACRED MYSTERIES OF MARY
MAGDALENE?

Join us for a private alchemical 8 day journey and immersion into the Mysteries and Wisdom of the Magdalene in Southern France.

Through daily ceremonies, sacred sound and Magdalene Codes Activations, Stellar will guide us on journeys of the ancient pathway and star-gate of the sacred human heart.

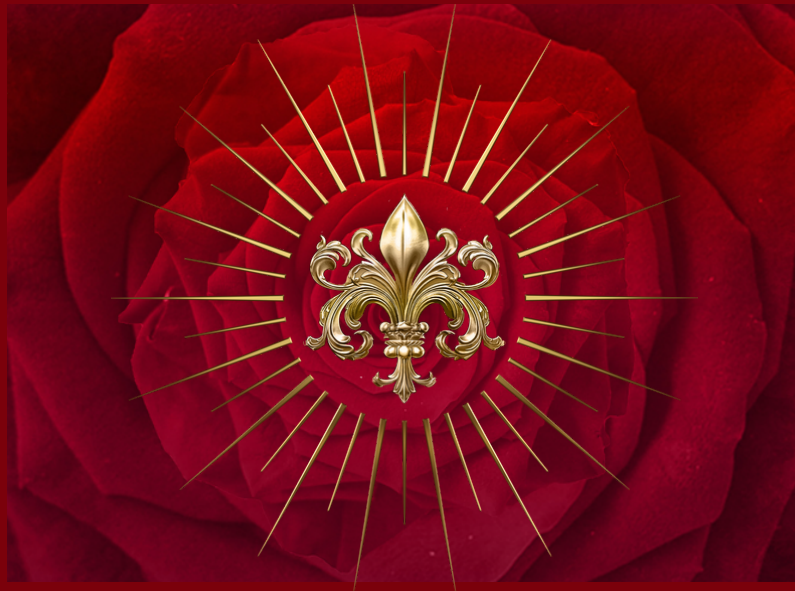

Our sacred Mary Magdalene Tour will activate your sacred body and soul to start to build a new Hieros Gamos and Rose grid in the land and one that activates your body's sacred original 432hz, Cathar Creed, 12 vector maths templates, which will resonate long after you leave.

It is going to be a wonderful multi-dimensional life changing experience, where you become the temple and healing centre yourself.

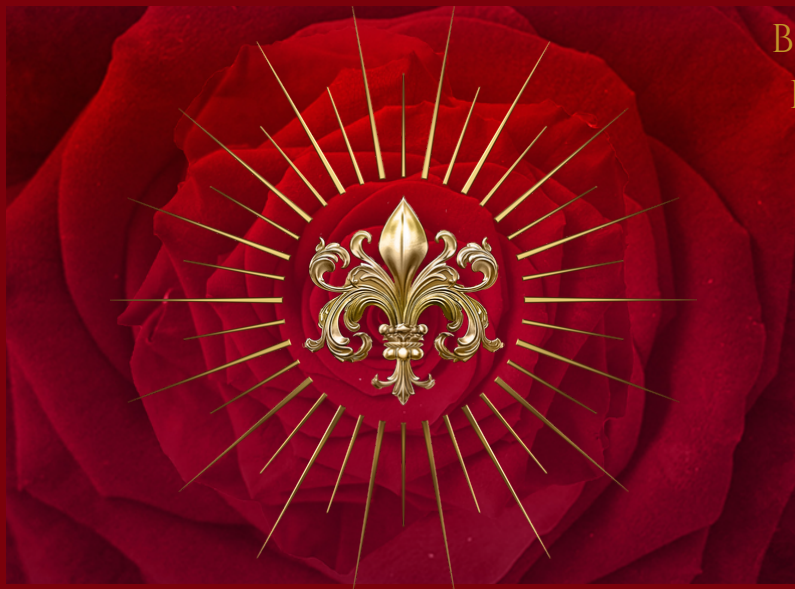

This is the long foretold return of the Church of Love and we are the Church, because the true Church is nature and the Heart and the Womb.

The womb is the living grail of every woman who walks the Earth. Mary Magdalene left sacred codes in the land here and when you visit you will feel these codes and activations at all levels of your being. This in turn will allow you to embody the Magdalene Codes fully to take back to your community, family and sacred pillar that you call home.

We will retrace the footsteps of the Magdalene and visit her places of profound healing and ceremony. In this retracing we will take precious time to remember Her wisdom within us and re- activate all that was forgotten to embody the "One Heart" once again. Weaving the alchemy of sacred sounds and frequencies of nature, with sacred oils and the ancient sites connected to The Magdalene frequency where the divine mother is the law and the sacred teachings of unconditional love, peace and the power of forgiveness, you will experience profound personal transformation and healing.

The Emerald Flame has recently been anchored here in France too, at the new crown chakra of the Earth, and so we will take time to explore its gifts of emotional healing and the sacred oils of the Emerald Flame Priestesses, as every day will be a lived ceremony.

MOTHER, ARTIST, MUSICIAN,
BESTSELLING AUTHOR, ALCHEMIST,
DIVINE SOVEREIGN. TEACHER OF
LOVE. - MAGDALENE EXPERT

Stellar has been leading groups to Southern France, Egypt, Ireland and Scotland for the last 15 years. She has been working in the field of sacred sound, music, and healing for 35 years. She studied with her teacher for 25 years in Glastonbury remembering the sacred ascension arts of the Blue Rose Order and Magdalene Lineage, of which she has been initiated into over many lifetimes.

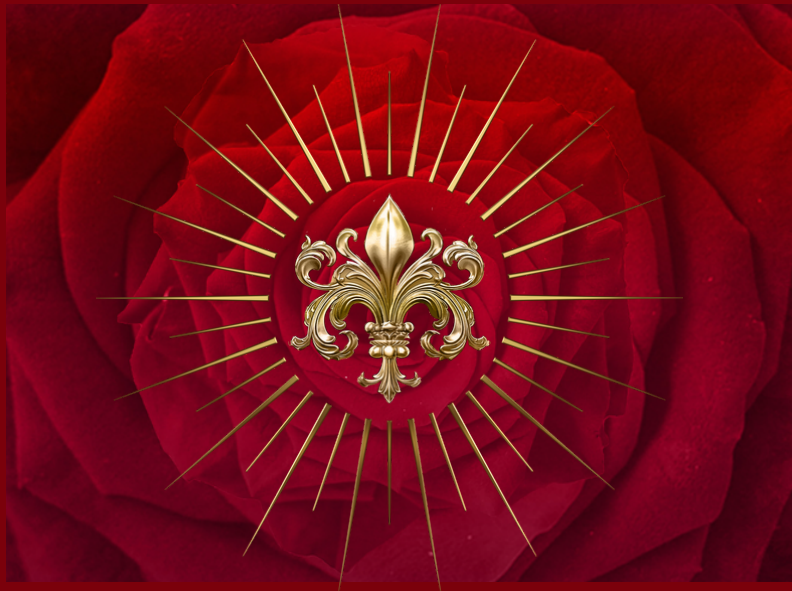

She has published two books, one in honour of her teacher, Isis Beloved, called *The Teachings of Isis Beloved*, and also the *New Magdalene Codex*, which holds all the keys, codes, and steps necessary for authentic and organic ascension. She is currently writing a chapter in an anthology called *Magdalene Unveiled*, and is working on another book about her advanced priestess training in Glastonbury, UK and Egypt.

Stellar

In 2015 she started bringing groups of priestesses and their beloveds to Magdalene and Cathar Country in France. In 2016, she recorded the album "The Magdalene Codes," featuring the Lord's Prayer in Aramaic.

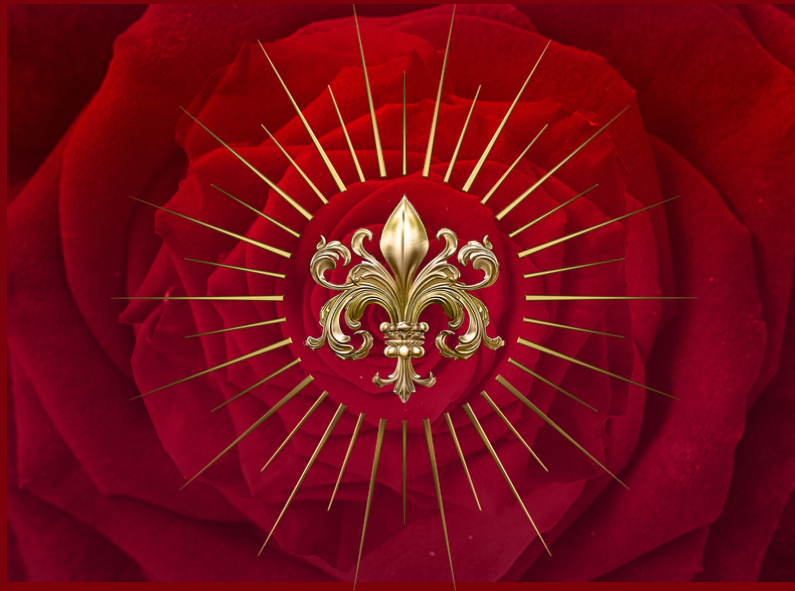

She sang the codes of the land and continues to do so by bringing sacred souls to this land again to be activated into their deepest spiritual and soul sovereignty, with the codes that Magdalene and Yeshua left in the land for this time.
